WHW is a Ministry that ministers to men in the ministry and to laypersons, both men and women. It is our mission to biblically equip the saints together according to Ephesians 4:11-12 which says, "And he gave some apostles; and some prophets; and some evangelists; and some pastors and teachers; For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ."

WHW & FAITH SEMINARY JOIN HANDS

FAITH EVANGELICAL SEMINARY

Faith Evangelical College & Seminary exists to glorify God by equipping Christian leaders with a biblical, theological, and practical education empowering them to apply and Proclaim the inerrant Word of God for world-wide Christian service.

"...To provide students with undergraduate and graduate educational opportunities leading to an accredited degree."

FAITH SEMINARY (Tacoma, WA) and WHW Ministries are pleased to announce that they have joined hands to provide students with undergraduate and graduate educational opportunities leading to an accredited degree. This cooperative educational program began four years ago and has allowed 70 students to successfully complete their degrees. Twenty-seven students graduated October 2005 in Los Angeles and the current WHW enrollment is increasing rapidly.

Faith Seminary is pleased to have some very distinguished faculty members teaching at the annual WHW Conference including Dr. H. Wayne House, Dr. R.A. Williams Jr, Dr. George Waddles Sr, and Dr. Robby Dean. The program supervisor is Dr. Michael Adams, the dean of the seminary. Because Faith Seminary has its teaching faculty in place during the WHW conference, the school has agreed to accept up to 16 quarter hours of study from the annual seminars (4 quarter hours for each year attended). This can be used as transfer credit toward the Bachelor of Theology (180 hours), the Master of Christian Ministry (72 hours), the Master of Theological Studies (72 hours), or the Master of Divinity (136 hours).

All programs may be taken by distance education either through the use of DVDs (master's level) or by taking courses on-line (baccalaureate). We also offer seven week-long modules in Tacoma during the year. Most pastors have found that the week-long resident modules work best for completing a program. However, no matter how you approach it, you will find the programs very convenient. By the way, you can take the Bachelor of Theology, the Master of Christian Ministry, or the Master of Theological Studies degrees completely through distance education, or you can mix and match distance education with the resident modules.

Besides the convenience of the programs, Faith Seminary offers a significant tuition discount to the WHW Ministries participants. The discounted tuition rate can apply to the on-line baccalaureate degree as well as any master's program.

Interested students should go to www.fafsa.ed.gov and fill out a FAFSA (Free Application for Federal Student Aid). Since the application for financial aid is free, it behooves all students to fill out the form and see what possibilities exist. Students may be eligible for a Pell Grant if pursuing a baccalaureate degree or a Stafford Loan if pursuing a master's degree or the Doctor of Ministry.

Faith seminary is an accredited member of the Transnational Association of Christian Colleges and Schools, an accrediting agency recognized by the U.S. Department of Education and the Council for Higher Education Accreditation (CHEA). Check out our web site at www.faithseminary.edu. Please give us a call toll-free at 888-777-7675, ext. 30 and ask how you can take advantage of this wonderful opportunity.
